

About Time Conference

25th September 2023

9.00am	<p>Arrival, Registration, and Introductions</p> <p>On arrival, you will be invited to take part in activities and get to know fellow Expat Academy members.</p>
10.00 am	<p>Welcome</p> <p>The Expat Academy Team will open the day with a run through of the agenda and facilitated networking on your tables.</p>
10.30 am	<p>Tracing the Evolution of Global Mobility Through Time</p> <p>We've come a long way in the world of Global Mobility! Join us as we trace the evolution of GM from its early beginnings to the complex landscape we navigate today. We'll identify key events, innovations, and trends that have shaped and transformed Global Mobility over the decades. Discover where we started, how we got to where we are, and glimpse into the future of this dynamic field.</p> <p>Please welcome to the stage:</p> <p>Shelly Crofts, BAE Julie Brightley-Davies, RELX</p>
11.30 am	<p>Morning Break</p>
12.00 pm	<p>Engagement, Wellbeing, and Productivity in your Working Team – Smarter Not Harder</p> <p>Whether your team is working from an office, from home, or in a hybrid way, you know you all need to be healthy, happy, and productive. Recent studies reveal employee engagement and productivity have dipped in many organisations, which presents a big challenge to us all.</p> <p>This session will be packed with insights, tips, tools, and simple ideas you can use to create the right kind of “buzz in the workplace” (wherever that may be). In addition, the session will be thought-provoking, engaging, and practical, with an opportunity to benchmark yourself against our WPFH (Working Productively from Home) scorecard, huddle, and discuss with fellow Global Mobility professionals.</p>
1.00 pm	<p>Lunch</p>
2.00pm	<p>Can We Leverage AI to Help the Global Mobility Function?</p> <p>This session will start with the latest thoughts and research from the Smarter Not Harder Gurus. Learn how Artificial Intelligence may impact how we work in the future.</p> <p>Expat Academy’s Co-Heads of Client Services, Greg Smith and Chris Blair, will lead this interactive session with the latest thoughts on utilising ChatGPT and AI specifically in the Global Mobility Function and what this means to the future of Global Mobility work.</p>
3.00pm	<p>Afternoon Break</p>
3.30pm	<p>Find Space and Time with The Vanguard</p> <p>A look back in time at how members of our Vanguard Network delivered new remote working policies and function-reform in their organisations. We will delve into what worked well, how they met key milestones on time, what they would do differently given a second chance, and how delivering on key organisational projects gives Global Mobility teams space and time to deliver further work into the future.</p> <p>Please welcome to the stage:</p> <p>Ros Harvey, Global Mobility Manager, Warner Music Laura Weller, Global Mobility Manager, Aviva Gemma Bailey, Global Mobility Team Leader, PwC Jenny Mathieson, Global Mobility Manager, PwC</p>
4.30 pm	<p>Awards</p> <p>Wrap up the day recognising and awarding the Expat Academy Key Contributors for 2023 and this year’s Player’s Player. We will also be finding out who the GMPD Star Learner is and who has won GMPD Team of the Year.</p>
5.00pm	<p>Post conference drinks - Join us for drinks and a final chance to try your luck on the MyGMPD Time Tombola.</p>
