

14:00 CET	Welcome and Introductions Welcome and introductions from the Expat Academy team who will walk you through the agenda and get everyone talking via a short icebreaker
14:15	Small Steps – Breakout Workshop Being a company made up of GM professionals, Expat Academy have always appreciated that the improvements we want to make can feel like insurmountable mountains! And so we're bringing back our Small Steps session where we'll work together to create one change that can be taken away after the session and put into action. This time we'll focus on one component of the employee experience : 'Repatriation and Career Development'.
15:15	Coffee Break
15:25	Corporate Updates and Hot Potatoes Much like a hot potato, you shouldn't hold onto a Global Mobility issue troubling you without reaching for help! This will be a safe space to share with your global mobility peers and technical experts unique or specific individual challenges you are currently struggling with. We're also incredibly fortunate to have many exceptional GM pioneers in community. With corporate updates, we love to hear insights, successes, and challenges impacting their global mobility programs.
15:55	ECA & Tracker Software Technologies An interactive session from the experts in global mobility solutions. Join us as ECA International and Tracker Software Technologies share their latest insights and innovations. These industry leaders will discuss cutting-edge trends, best practices, and emerging technologies shaping the future of global workforce management. Don't miss this opportunity to engage with pioneers at the forefront of international assignment management and mobility software.
16:25	Expat Academy Updates and Wrap Up We'll update everyone on Expat Academy's plans going forward, upcoming events, and remind you all of all the fabulous benefits you have as part of your corporate membership!
